Committee Members Sought

Supervisor Hap Hazard is soliciting interested citizens in the Benton, Hammil, Chalfant and Crowley Lake/Long Valley areas for appointment to the respective local Regional Planning Advisory Committees. For over 20 years, the Regional Planning Advisory Committees, known as RPACs, have been conducting regular public meetings at local community centers on a variety of planning matters affecting the local community, the region, and the county. The RPAC for your area, which will consist of a representative cross section of community interests, advises decision-makers on the development, review, implementation and update of the Mono County General Plan and associated initiatives.

For more information and /or to volunteer for an RPAC appointment, please contact Supervisor Hazard at hap04@msn.com, 935-4999, the Community Development Department at commdev@mono.ca.gov, 924-1800 or check the county's website at www.monocounty.ca.gov. If you are interested in serving on the RPAC, please fill out the attached membership application; in September/October Supervisor Hazard will recommend RPAC appointments to the Board of Supervisors.

If unable or unwilling to serve on the RPAC, please nevertheless consider attending upcoming RPAC meetings. To be placed on the RPAC agenda e-mail list, please specify the RPAC and send your e-mail address to commdev@mono.ca.gov.
